## Safety Adviser Service

Has your Business appointed one or more “competent health and safety advisors” as required by law?

### Overview

The Management of Health and Safety at Work Regulations 1999 require the following:

*Regulation 7 (1) “Every employer shall appoint one or more competent persons to assist them in undertaking the measures they need to take to comply with the requirements imposed upon them by the relevant statutory provisions”*

### How Can Wessex Safety Services help?

Wessex Safety Services can provide you with continuing competent health and safety support from a highly qualified and experienced health and safety consultant assisting you in fulfilling this legal requirement.

### What do I get for this service?

By using Wessex Safety Services as your nominated competent safety adviser we will provide 12 months consultancy service within a fixed cost. This Consultancy service will consist of:

- An agreed number of scheduled visits at a discounted rate.
- Advice, help and support on any matter relating to Health, Safety, Fire and Welfare.

- Updates on New Legislation and guidance which may affect your Business.
- Discounted rates for additional visits and Training.
- Using Wessex Safety Services as you’re named “Competent Person” on your Health and Safety Policy.

### How much will it cost?

The Safety Adviser Service will be for an agreed annual fee, depending on the size and associated Risk of the Business along with the number of agreed scheduled visits.
